Dear Water Customer,

This letter serves to notify you that the rates associated with delivering you potable water and sewer treatments will increase on July 1, 2019 in accordance with Proposition 218 and City Ordinance No. 1501, which was adopted by City Council on February 3, 2015.

Attached are tables highlighting the existing and new rates and their effective dates for water and sewer. These rates are authorized under Ordinance No. 1501. All new rates will appear on your water bill following July 1, 2019. Sincerely,
