Wisconsin's Park Place Plays!

Welcome to the City of Janesville's 2018 Spring/Summer Activity Guide featuring numerous opportunities to get outside and PLAY! Janesville, affectionately known as Wisconsin's Park Place, is booming with growth and new opportunities all throughout the City. Explore this great City and experience all the breathtaking parks and superb recreation opportunities. After all you **WORK HARD**, so you should **PLAY HARDER**.

The Recreation Division offers programs and events for all ages and interests. Browse this guide and keep it handy throughout the spring and summer months. **Play** in one or all 64 parks that Janesville has to offer. **Playing** is for all ages, whether it be on your own in a park doing what you enjoy or through signing up for one of our programs, attending an event we host, or visiting one of our year round or seasonal facilities we operate, including multiple outdoor pools, Dawson Softball Complex, Ice Arena and Senior Center. Recreation Programming staff has been working hard improving our most popular programs, while adding several new recreational opportunities for 2018, including a Kids in Parks event (page 8) and Kids Tri (page 12), among others. The City is also excited to announce the addition of a fitness court in Downtown Janesville (Corner of Court and River Streets) by early June. Visit this new amenity and make fitness fun. We all work hard in Janesville, but sometimes you have to **PLAY HARDER**. Staff at the Recreation and Parks Division's office is here to help with all your Park and Recreation needs.

NATIONAL KIDS TO PARKS DAY AT THE ROBERT O. COOK MEMORIAL ARBORETUM NEW PARTNERSHIP PROGRAM FREE

Join us on Kids to Parks Day as we explore the Arboretum along with other hands on activities that will connect you with nature. Participate in a hands-on stream survey activity where nature guides will supervise the children as they wade into the shallow (knee-deep in most sections with firm sand-gravel bottom) stream and use provided nets, trays and ID charts to capture, collect, observe and identify the aquatic life of the stream. Space is limited, so arrive right at the start of the program to sign up for a 15 minute time slot with us at the shelter. Children under age 8 will need to be accompanied by an adult at the stream survey. At your time slot a staff will take you on a 10 minute hike from the shelter through the woods down to the stream. In order to get in the water you need to wear an old pair of lace-up or Velcro-fasten tennis shoes, water shoes or strap-on sandals (no slip-ons or flip flops); a bathing suit or athletic shorts; an old t-shirt or sweatshirt and a towel otherwise you will have to observe from the streambank. While waiting or after your stream survey activity there will be a scavenger hike, nature craft using your hike collections and a snack available to participate in at the shelter.

YOUTH TENNIS LESSONS PARTNERSHIP PROGRAM

Our youth tennis lessons are designed for boys and girls ranging from beginner to advanced levels. Lessons are taught at the Palmer Park Tennis Courts and moved indoors to Premier Tennis & Fitness (3410 Bell Street) in the event of inclement weather. If unexpected inclement weather arrives during outdoor lessons then make up will be Friday. Sign up for both sessions! **Please pre-register online at www.ci.janesville.wi.us/register or at the Janesville Recreation Division office three business days prior to the start of the program. Minimum: 3 per session**

Class Descriptions:

Red Ball (Ages 3-6) - Using the Quick Start approach, children are taught tennis using balls that bounce lower and don't move as fast so they are easier to hit. This approach allows kids to get to the ball and helps them develop optimal swing patterns.

Orange Ball (Ages 7-8) - Children will further develop tennis strokes, groundstrokes, volleys and the serve. We will begin adding footwork drills and point playing. Kids will use the appropriate balls and racquets.

Junior Development (Ages 9-12) - Students will refine stroke mechanics with major emphasis on improving the consistency and accuracy of groundstrokes, volleys, overheads, and learn the rules of the game.

High School Training (Ages 13-18) - This group is designed for youth entering 7th-12th grades that play or plan on playing for their high school Junior Varsity or Varsity teams. Drills become more intense and focus on strategy, point play for singles and doubles, all while working towards a Varsity level of play.

CAMDEN PLAYGROUND PICKETS

Leave your mark on one of Janesville's most used playgrounds by purchasing a custom engraved picket to be installed around the border of CAMDEN playground. This is the perfect way to contribute to an amazing facility and ensure this playground continues to be a staple of the community. For more information on donating, please send an email to camdenplay@hotmail.com.

RIVER VALLEY EQUIPMENT

A swing set and several individual play pieces were installed in River Valley Park on Kellogg Ave in the summer of 2017. This is the first time that play equipment has been installed in the Park.

OAK HILL CEMETERY UPDATE

Oak Hill Cemetery has seen several changes in 2017, with continued improvement in 2018. To reduce the subsidy at the Cemetery, the City has created a marketing and business plan. The goal of these improvements are to provide a beautiful public cemetery with a reduced financial burden on the residents of Janesville. The City is excited to announce that new grave sites are platted and available for purchase on the north end of the cemetery. The new area has one of the best vistas in Janesville.

DOG THE GEESE PROGRAM

The Parks Division is looking for participants for the "Dog the Geese" program. The purpose of this program is to have trained dogs disrupt geese from roosting and becoming established in selected park areas. The City would like to discourage geese from foraging in turf areas, particularly around our bike trails, picnic areas, playgrounds, athletic fields and other areas frequented by families. We do not wish for any dog to make physical contact with the geese. Our intent is to have the dogs chase the geese into a body of water or until they would take flight and leave the park area. Please contact the Parks Division at 608-755-3025 for more information or to sign up for the program.

TRAIL IMPROVEMENTS

This summer the City of Janesville will be replacing the bike trail from S Main St to Delavan Dr. These sections of the trail will be closed starting in early May and through the end of June. Please plan your hikes and bike rides accordingly.

BIKE REPAIR STATIONS

New for 2018 will be two bike repair stations located along the paved trail. One will be located east of S Pearl St., next to the parking lot at the dead end of S Washington St. The other repair station will be located in Briarcrest Park. The repair stations feature commonly used bike tools and a tire pump.

SHRED FEST

Saturday, April 21st in conjunction with Earth Day, the City of Janesville will be hosting a free document shredding event at Lions Beach from 10AM to 1PM. Lions Beach is located at 1400 Palmer Dr, just west of Rotary Botanical Gardens. Shred Fest is an event where residents of Janesville can have documents shredded at no charge. The documents will be collected, placed in a secure container, and shredded after the event.

PARTNERSHIP PROJECT SPOTLIGHT

NEW PLAYGROUND AT KIWANIS PARK

In the summer of 2017 the City, in cooperation with the Kiwanis Club, replaced the playground structure at Kiwanis Park. The new playground includes: two net play features, a zip line, and four unique slides. The city would like to thank the Kiwanis Club for their contributions which aided the City in creating a unique play area. This project would not have been as big of a success without the Club's generosity and desire to improve the community.

PING PONG TABLE AT JEFFERSON PARK

The City would like to thank the Ryan family for their donation of a pre-cast concrete ping pong table in Jefferson Park, dedicated to the memory of Jim Ryan. This unique play piece is the only one of its kind in the Janesville Park System.

CONCESSION ROOF AT RIVERSIDE PARK

The Friends of Riverside Park have spent countless hours improving the aesthetics and usability of Riverside Park. Over the past few years, the group has added landscaping to Lilac Circle, created and improved landscaping beds. One of the group's most notable projects was adding a new cedar shake roof on the concession stand in the summer of 2017. The concession stand is open most weekends and for special events throughout the summer.

VOLLEYBALL COURT AT MARQUETTE PARK

New in 2017 was a sand volleyball court located at the North end of Marquette Park. This new park feature was generously donated by Mocha Moment. The City would like to thank Mocha Moment for their contribution and continued support of the City of Janesville's Park system.

EVONIK PICNIC TABLE SHELTER DONATION

Evonik is a specialty chemical company located in the heart of Janesville. In honor of their 60 years in the community, Evonik donated a special trail shade structure. The shade structure-picnic table is located on the bike trail section along Rockport Rd near the S Palm St intersection.
